inTEST to Attend SEMICON West 2015 and Participate in Seventh Annual CEO Investor Summit 2015

Accredited Investor and Publishing Research Analyst Event to Be Held Concurrently With SEMICON West and Intersolar 2015 in San Francisco

MOUNT LAUREL, NJ -- (Marketwired) -- 06/24/15 -- inTEST Corporation (NYSE MKT: INTT), an independent designer, manufacturer and marketer of temperature management products and semiconductor automatic test equipment (ATE) interface solutions, today announced that the Company's management will attend SEMICON West 2015 from July 14th to July 16th in San Francisco, CA and will conduct one-on-one meetings with the investment community. In addition, Mr. Robert Matthiessen, President and CEO, and Mr. Hugh Regan, Jr., will participate in the Seventh Annual CEO Investor Summit 2015, Wednesday, July 15, 2015.

SEMICON West will be held from July 14-16 at the Moscone Center, San Francisco. inTEST's Thermal Product Segment booth number is 6260. Investors wishing to schedule a meeting, please contact Laura Guerrant-Oiye at lguerrant@guerrantir.com.

SEMICON West is the flagship annual event for the global microelectronics industry. It is the premier event for the display of new products and technologies for microelectronics design and manufacturing, featuring technologies from across the microelectronics supply chain, from electronic design automation, to device fabrication (wafer processing), to final manufacturing (assembly, packaging, and test). More than semiconductors, SEMICON West is also a showcase for emerging markets and technologies born from the microelectronics industry, including micro-electromechanical systems (MEMS), photovoltaics (PV), flexible electronics and displays, nano-electronics, solid state lighting (LEDs), and related technologies.

About The 7th Annual CEO Summit

The CEO Summit is an accredited investor and publishing research analyst event that is held concurrently with SEMICON West and Intersolar 2015 in San Francisco. The event is hosted by executive management from participating companies and will feature a "round-robin" format consisting of small group meetings, each 30 minutes in duration. The CEO Investor Summit is by invitation only and is open to accredited investors and publishing research analysts. While held concurrently with SEMICON West and Intersolar 2015, the event is not affiliated with the show.

About inTEST Corporation

inTEST Corporation is an independent designer, manufacturer and marketer of temperature management products and ATE interface solutions, which are used by semiconductor manufacturers to perform final testing of integrated circuits (ICs) and wafers. The Company's high-performance products are designed to enable semiconductor manufacturers to improve the speed, reliability, efficiency and profitability of IC test processes. The Company's products are also sold into the automotive, consumer electronics, defense/aerospace, energy and telecommunications industries. Specific products include temperature management systems, manipulator and docking hardware products and customized interface solutions. The Company has established strong relationships with its customers globally, which it supports through a network of local offices. For more information visit www.intest.com.
