

inTEST Corporation

inTEST to Present at Investor Conferences

August 31, 2020

MT. LAUREL, N.J., Aug. 31, 2020 (GLOBE NEWSWIRE) -- inTEST Corporation (NYSE American: INTT), a global supplier of precision-engineered solutions for use in manufacturing and testing across a wide range of markets, including automotive, defense/aerospace, energy, industrial, semiconductor and telecommunications, today announced that the Company is scheduled to participate in the following investor conferences: (i) LD Micro 500 Virtual Conference, (ii) 2020 Colliers Virtual Institutional Investor Conference, and (iii) Lake Street Capital Markets 2020 Best Ideas Growth (BIG4) Virtual Conference.

Richard N. "Nick" Grant, Jr., President & CEO, and Hugh Regan, Chief Financial Officer, will be participating on behalf of the Company. The presentation materials utilized during the conference will be available on the Investor Relations section of inTEST's website at www.intest.com.

LD Micro 500 Virtual Conference / September 2-4, 2020

inTEST management will give a virtual corporate presentation at the LD Micro 500 taking place online on Wednesday September 2, 2020 at 1:20 PM ET, followed by a live Q&A session with registered investors and other conference attendees.

A live webcast of the presentation, along with the presentation materials, will be available on the investor relations section of inTEST's website at www.intest.com or the following URL: <https://www.webcaster4.com/Webcast/Page/2019/36279>.

In addition, Mr. Grant and Mr. Regan will be available for virtual one-on-one meetings from September 2-4, 2020. To schedule a meeting please contact Eric Lahiji at eric@ldmicro.com.

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into several influential conferences annually (Invitational, Summit, and Main Event). In 2015, LD Micro launched ldmicro.com as a portal to provide exclusive intraday information on the entire sector, including the first pure microcap index (LDMi), which covers stocks in North America with market capitalizations between \$50-\$300 million.
