

inTEST Corporation to Participate in the 11th Annual NYC Summit

November 21, 2022

MT. LAUREL, N.J.--(BUSINESS WIRE)--Nov. 21, 2022-- [inTEST Corporation](#) (NYSE American: INTT), a global supplier of innovative test and process solutions for use in manufacturing and testing in key target markets which include automotive, defense/aerospace, industrial, life sciences, security, and semiconductor ("semi"), today announced that Nick Grant, President & CEO, and Duncan Gilmour, Chief Financial Officer, will participate in the 11th Annual NYC Summit, being held Tuesday, December 13th at Mastro's New York.

The inTEST presentation is scheduled to begin at 9:30 a.m. Eastern Time, in a "round-robin" format consisting of small group meetings with company management teams. The presentation material utilized during the NYC Summit will be accessible on the events page of the Company's website <https://ir.intest.com>.

Attendance at the NYC Summit is by invitation only and is available solely to accredited investors and publishing research analysts. During the event, investors and analysts will have the opportunity to meet with the majority of the 12 management teams during the small group meeting sessions, as well as opportunities to meet with management during the breakfast and lunch networking sessions.

The 12 management teams collectively hosting the 11th Annual NYC Summit 2022 include: ACM Research (ACMR), Advanced Energy (AEIS), Aehr Test (AEHR), Alpha & Omega Semiconductor (AOSL), Axcelis (ACLS), FormFactor (FORM), Ichor Systems (ICHR), inTEST (INTT), Intevac (IVAC), Kulicke & Soffa (KLIC), Onto Innovation (ONTO), and SkyWater Technology (SKYT). Both Cowen and Stifel are sponsors of the conference.

About inTEST Corporation

inTEST Corporation is a global supplier of innovative test and process solutions for use in manufacturing and testing in key target markets which include automotive, defense/aerospace, industrial, life sciences, and security, as well as both the front-end and back-end of the semiconductor manufacturing industry. Backed by decades of engineering expertise and a culture of operational excellence, inTEST solves difficult thermal, mechanical, and electronic challenges for customers worldwide while generating strong cash flow and profits. inTEST's strategy leverages these strengths to grow organically and with acquisitions through the addition of innovative technologies, deeper and broader geographic reach, and market expansion.
