On November 23, 2004, certain of our named executive officers were granted awards of restricted stock, as described in Footnote 2 to the Summary Compensation Table. Item 12: SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth certain information known to us regarding the beneficial ownership of our common stock as of March 31, 2006 (except where otherwise noted) by:

- each of our Named Executive Officers;
- each of our directors;

Percentage ownership in the following table is based on 9,198,241 shares of common stock outstanding as of March 31, 2006 (excluding shares held by one of our subsidiaries which may not be voted or counted towards a quorum). We have determined beneficial ownership in the table in accordance with the rules of the SEC. In computing the number of shares beneficially owned by any person and the percentage ownership of that person, we have deemed shares of common stock subject to options or warrants held by that person that are currently exercisable or will become exercisable by May 30, 2006 to be outstanding; however, we have not deemed such shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes below, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by such stockholder.
