PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
To Be Held June 28, 2017

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE STOCKHOLDER MEETING TO BE HELD ON WEDNESDAY, JUNE 28, 2017: Copies of this Proxy Statement and our 2016 Annual Report to Stockholders are available at <http://investor.shareholder.com/intest/annual.cfm?AnnualPage=meeting>.

This proxy statement and the enclosed proxy card are intended to be sent or given to stockholders of inTEST Corporation on or about May 24, 2017, in connection with the solicitation of proxies on behalf of our Board of Directors for use at our 2017 Annual Meeting of Stockholders, to be held on Wednesday, June 28, 2017, at 11:00 A.M. Eastern Daylight Time, in our offices located at 804 East Gate Drive, Suite 200, Mt. Laurel, New Jersey.

The following questions and answers present important information pertaining to the meeting:

Q: Who is entitled to vote?

A: Stockholders of record as of the close of business on May 9, 2016 may vote at the meeting.

Q: How many shares can vote?

A: There were 10,402,058 shares issued and outstanding as of the close of business on April 25, 2017. Each stockholder entitled to vote at the meeting may cast one vote for each share owned by him, her or it which has voting power upon the matter in question and for the election of each director nominee, without cumulative voting.

Q: What may I vote on?

A: You may vote on the following matters:

- the election of the five directors who have been nominated to serve on our Board of Directors;
- the ratification of the selection of RSM US LLP as our independent registered public accounting firm for the year ending December 31, 2017; and
- any other business that may properly come before the meeting.

Q: Will any other business be presented for action by stockholders at the meeting?

A: Management knows of no business that will be presented at the meeting other than that which is set forth in this proxy statement. If any other matter properly comes before the meeting, the persons named in the accompanying proxy card intend to vote the proxies (which confer discretionary authority to vote on such matters) in accordance with their best judgment.

Q: How does the Board of Directors recommend that I vote on each of the proposals?

A: The Board recommends a vote "**FOR**" each of the director nominees and "**FOR**" the ratification of our independent registered public accounting firm.

Q: How do I vote my shares?

A: The answer depends on whether you own your inTEST shares directly (that is, you hold stock certificates that show your name

as the registered stockholder) or if your shares are held in a brokerage account or by another nominee holder.

If you own inTEST shares directly: your proxy is being solicited directly by us, and you can vote by paper, telephone or Internet, as described below, or you can vote in person if you attend the meeting.

2

If you vote by paper, please do the following: (1) sign and date the enclosed proxy card, (2) mark the boxes indicating how you wish to vote, and (3) return the proxy card in the prepaid envelope provided. If you sign your proxy card but do not indicate how you wish to vote, the proxies will vote your shares "**FOR**" each of the director nominees, "**FOR**" the ratification of our independent registered public accounting firm, and, in their discretion, on any other matter that properly comes before the meeting.

If you vote by telephone or over the Internet, you will find instructions on the enclosed proxy card that you should follow. There may be costs associated with telephonic or electronic access, such as usage charges from Internet access providers and telephone companies that must be paid by the stockholder.

If you hold your inTEST shares through a broker, bank or other nominee: you will receive a voting instruction card directly from your broker, bank or other nominee describing how to vote your shares. If you receive a voting instruction card, you can vote by completing and returning the voting instruction card. If you fail to specify your voting instructions for the election of directors, your broker cannot direct the voting of your shares. Therefore, *please be sure to mark your voting choices on your voting instruction card before you return it*. You may also be able to vote by telephone or via the Internet. Please refer to the instructions provided with your voting instruction card for information about voting in these ways.

If you hold your inTEST shares through a nominee and want to vote at the meeting: you must obtain a "legal proxy" from the nominee recordholder authorizing you to vote at the meeting.

Q: What if I want to change my vote or revoke my proxy?

A: If you are a registered stockholder, you may change your vote or revoke your proxy at any time before the meeting by (i) notifying our corporate Secretary, Hugh T. Regan, Jr., in writing, that you revoke your proxy, (ii) voting in person at the meeting, or (iii) submitting a new proxy card. You may contact our Transfer Agent, Computershare Investor Services, at (800) 962-4284 to get a new proxy card. We will count your vote in accordance with the last instructions we receive from you prior to the closing of the polls, whether your instructions are received by Internet, telephone, paper or in person. If you hold your shares through a broker, bank or other nominee and wish to change your vote, you must follow the procedures required by your nominee.

Q: What is a quorum?

A: The presence at the meeting (in person or by proxy) of a majority of the shares entitled to vote at the meeting constitutes a quorum. A quorum must be present in order to convene the meeting.

Q: How will directors be elected?

A: A plurality of the votes cast at the meeting is required for the election of directors. This means that the director nominee with the most votes for a particular director seat is elected to that seat.

Q: How will the outcome of the proposal to ratify the selection of our independent registered public accounting firm be determined?

A: To ratify the selection, a majority of the shares of stock that are present in person or by proxy and entitled to vote at the meeting must be voted in favor of the ratification.

Q: What is the effect if I fail to give voting instructions to my broker or other nominee?

A: If your shares are held by a broker or other nominee, you **must** provide your broker or nominee with instructions on how to vote your shares for the director nominees in order for your shares to be counted in the election of directors. Under rules applicable to discretionary voting by brokers, brokers do not have the discretion to vote client shares for the election of directors if the stockholder has not specifically instructed the broker how to vote, and brokers may only vote for the election of directors as specifically instructed by their clients. If a stockholder fails to provide voting instructions to the broker on a matter that the broker does not have discretion to vote, this is referred to as a "broker non-vote". Broker non-votes will have no effect on the outcome of the election of directors.

Brokers and other nominee holders may use their discretion to vote on the proposal to ratify the selection of our independent registered public accounting firm if no instructions are provided.

3

Q: What is the effect if I withhold or abstain my vote?

A: Withheld votes will have no effect on the outcome of the election of directors. An abstention will have the effect of a "no" vote with respect to the ratification of the selection of our independent registered public accounting firm.

Q: Do the directors and officers of inTEST have an interest in the outcome of the matters to be voted on?

A: Our directors and officers will not receive any special benefit as a result of the outcome of the matters to be voted on, except that our non-employee directors will receive compensation for such service as described later in this proxy statement under the heading "Director Compensation."

Q: How many shares do the directors and officers of inTEST beneficially own, and how do they plan to vote their shares?

A: Directors and executive officers, who, as of April 25, 2017, had beneficial ownership (or had the right to acquire beneficial ownership within sixty days following April 25, 2017) of approximately 18% of our outstanding common stock, are expected to vote, or direct the voting of their shares, in favor of the election of the five nominees for director set forth in this proxy statement and in favor of the ratification of the selection of RSM US LLP as our independent registered public accounting firm for the year ending December 31, 2017.

Q: Who will count the votes?

A: Our transfer agent will count the votes cast by proxy. The Assistant Secretary of inTEST will count the votes cast in person at the meeting and will serve as the Inspector of Election.

Q: Who can attend the meeting?

A: All stockholders are invited to attend the meeting.

Q: Are there any expenses associated with collecting the stockholder votes?

A: We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and other materials to our stockholders. We do not anticipate hiring an agency to solicit votes from stockholders at this time; however, if we determine that such action would be appropriate or necessary, we would pay the cost of such service. Officers and other employees of inTEST may solicit proxies in person or by telephone but will receive no special compensation for doing so.

VOTING SECURITIES AND PRINCIPAL STOCKHOLDERS

The following table sets forth certain information known to us regarding the beneficial ownership of our common stock as of April 25, 2017 (except where otherwise noted) by:

- each of our named executive officers (as that term is defined later in this proxy statement under the heading "Executive Compensation");
- each of our directors;
- all directors and executive officers as a group; and
- each stockholder known by inTEST to own beneficially more than 5% of our common stock.

Percentage ownership in the following table is based on 10,402,058 shares of common stock outstanding as of April 25, 2017.

We have determined beneficial ownership in the table in accordance with the rules of the Securities and Exchange Commission ("SEC"). In computing the number of shares beneficially owned by any person or group or persons and the percentage ownership of that person or group, shares of common stock subject to options held by such person or group or persons that are currently exercisable, or will become exercisable by June 24, 2017, are deemed to be beneficially owned by such person and outstanding for the calculation of such person's percentage ownership and for the percentage beneficially owned by all directors and executive officers as a group. However, we have not deemed these shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes following the table, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by such stockholder.

The persons designated as proxies in the accompanying proxy card intend to vote "**FOR**" each such nominee, unless a contrary instruction is indicated on the proxy card. If for any reason any such nominee should become unavailable for election, the persons designated as proxies in the proxy card may vote the proxy for the election of another person nominated as a substitute by the Board of Directors, if any person is so nominated. We have no reason to believe that any of the nominees will be unable or unwilling to serve if elected, and all nominees have expressed their intention to serve the entire term for which election is sought.

Biographical and Other Information Regarding inTEST's Directors

Biographical information regarding the business experience of each of our directors and the primary aspects of each of our directors' experience, qualifications, attributes or skills that led to the conclusion that each of our directors should serve on our Board of Directors is set forth below.

Alyn R. Holt is a co-founder of inTEST Corporation and has served as our Chairman (renamed Executive Chairman in October 2007) since our inception in September 1981. Mr. Holt also served as our Chief Executive Officer from September 1981 to August 1998. Among other attributes, skills, experiences and qualifications, the Board believes that Mr. Holt's education as an engineer and his experience as the designer and developer of the basic products in our Mechanical Products segment, as well as his knowledge and industry experience as a founder and our former Chief Executive Officer for 17 years and an industry participant for approximately 50 years, are the attributes, skills, experiences and qualifications that allow Mr. Holt to provide visionary leadership as the Chairman of our Board of Directors.

Robert E. Matthiessen has served as our Chief Executive Officer since August 1998 and our President since February 1997. Mr. Matthiessen also served as our Chief Operating Officer from December 1997 to August 1998. Prior to that, Mr. Matthiessen served as our Executive Vice President after joining us in October 1984. Mr. Matthiessen has served as a director since February 1997. Among other attributes, skills, experiences and qualifications, the Board believes that Mr. Matthiessen's education and experience in the fields of mechanical and electrical engineering, his experience in the ATE industry throughout his over 40 year career and his extensive network of contacts and relationships in this industry, in addition to his over 25 years of experience at our Company, are the attributes, skills, experiences and qualifications that uniquely qualify him to execute our strategies and make valuable contributions as one of our directors.

Steven J. Abrams, Esq. was elected to serve as a director on January 8, 2013. In April 2016, Mr. Abrams joined Hogan Lovells US LLP as a partner. Prior to this, Mr. Abrams was with Pepper Hamilton LLP for 20+ years where he was co-chair of the Corporate Securities and Life Sciences Practice and a member of the Executive Committee. Mr. Abrams concentrates his legal practice on securities and merger and acquisition transactions. Mr. Abrams also counsels clients on governance, disclosure and transactional matters. Among other attributes, skills, experiences and qualifications, the Board believes that Mr. Abrams' 20 plus years of experience as a corporate and securities attorney providing counsel to corporations and other business entities regarding governance, disclosure and transactional matters allows Mr. Abrams to make a valuable contribution as one of our directors.

Joseph W. Dews IV was elected to serve as a director on April 10, 2014. Mr. Dews has been a Partner at AGC Partners, an advisory-only technology investment bank since July 2012. Prior to that, Mr. Dews held various positions, including Managing Director and Partner, at ThinkEquity LLC from May 2007 to July 2012, and held various positions, including Managing Director and Principal, at Needham & Company from February 2001 to May 2007, both technology investment banks. Mr. Dews has acted as a strategic and financial advisor to numerous public and private technology companies in the U.S. and internationally, including assessing corporate strategies and evaluating options for fund raising, share repurchases and acquisitions of businesses. In addition to his experience as an investment banker, Mr. Dews has a technical background including a Bachelor of Science in Applied & Engineering Physics from Cornell University and approximately two years of experience in the semiconductor industry working as a Field Applications Engineer for Cirrus Logic KK. Among other attributes, skills, experiences and qualifications, the Board believes that Mr. Dews' over 20 years of experience as an investment banker and familiarity with the semiconductor industry uniquely positions him to contribute strategic insight, acquisition creativity, and other valuable contributions as one of our directors.

William Kraut was elected to serve as a director on January 8, 2013. Mr. Kraut was an audit partner with EisnerAmper LLP until he retired in August 2011. From December 1980 until July 2010 he was partner in charge of the audit practice, for both public and non-public companies, as well as partner in charge of quality control functions within the firm of Amper, Politziner & Mattia LLP until it combined with Eisner LLP to form EisnerAmper LLP in July 2010. Since December 2011, Mr. Kraut has been a partner of Newport Board Group LLC which provides strategic advisory and risk management consulting services to companies in various industries. Among other attributes, skills, experiences and qualifications, the Board believes that Mr. Kraut's accounting experience as a certified public accountant at a national accounting firm, including 30 years as an audit partner, give him insight into corporate finance trends and practices and in-depth understanding and familiarity with generally accepted accounting principles and internal control procedures. In 2014, Mr. Kraut was designated a Board Governance Fellow by the National Association of Corporate Directors (the "NACD"). In February 2017, Mr. Kraut became cybersecurity certified by the NACD. These attributes, skills, experiences and qualifications allows Mr. Kraut to make a valuable contribution as one of our directors and as the Chairman of our Audit Committee.

Director Independence

Our Board of Directors has determined that each of the current directors meets the independence requirements of the NYSE MKT Listing Rules (the "NYSE MKT Rules"), with the exception of Mr. Holt, who serves as our Executive Chairman, and Mr. Matthiessen, who serves as our President and Chief Executive Officer. In making the foregoing determination with respect to our non-employee directors, the Board did not identify any matters, transactions, relationships or arrangements that needed to be considered in determining independence of these directors.

Board Leadership Structure

Our Bylaws and Guidelines on Significant Corporate Governance Issues state our general policy that the position of Chief Executive Officer may be held by either the Executive Chairman or the President of inTEST. We believe this gives us the greatest flexibility to maintain strong leadership and management of inTEST. Presently, the position of Chief Executive Officer is held by the President. We believe this is the most appropriate structure at this time as it allows our Executive Chairman to maintain primary focus on long range administration and development of strategic initiatives, while the President has primary focus on daily operations, product development and synergies among our product segments. Our Guidelines on Significant Corporate Governance Issues also state the Board's belief that, for the effective operation of the Board, an independent director be designated as the Lead Independent Director. Our Lead Independent Director is William Kraut. As Lead Independent Director, he is responsible for calling and chairing meetings of the independent directors, acting as a liaison between the independent directors and the Executive Committee and performing various other duties. The general responsibilities of the Lead Independent Director are set forth in a written charter adopted by the Board and posted on our website: www.intest.com.

Risk Oversight

Management is responsible for the day-to-day management of risks that we face, while the Board of Directors, as a whole and through its Committees, has responsibility for the oversight of risk management. Management attends regular Board and Committee meetings and discusses with the Board or Committees the various risks confronting inTEST, including the operational, legal, market and competitive risks that we face. In addition, the Audit Committee regularly considers major financial risk exposures and the steps management has taken to monitor and control such exposures.

Transactions with Related Persons

CORPORATE GOVERNANCE

Committees of the Board of Directors

Our Board of Directors currently has four standing Committees: Executive, Audit, Compensation, Nominating and Corporate Governance. Copies of the charters of each of these committees are posted on our website: www.intest.com.

The Executive Committee is appointed by the Board of Directors to exercise all powers and authority of the Board of Directors in the management of our business and affairs during intervals between meetings of the Board of Directors, and to provide oversight of, and make recommendations to, the Board of Directors regarding corporate initiatives and strategies. During 2016, the members of the Committee were Alyn R. Holt, Chairman, Steven J. Abrams, and Joseph W. Dews IV. The Committee held no meetings in 2016.

The Audit Committee is appointed by the Board of Directors to assist the Board of Directors in fulfilling its oversight responsibilities with respect to our financial management and controls. The Committee's primary oversight responsibilities relate to the integrity of our accounting and financial reporting processes, audits of our financial statements, and systems of internal control over financial reporting and accounting matters, and the independence, qualifications, retention, and performance of our independent registered public accounting firm. During 2016, the members of the Committee were, William Kraut, Chairman, Steven J. Abrams, and Joseph W. Dews IV. The Board of Directors has determined that Mr. Kraut meets the criteria of an "audit committee financial expert" as that term is defined in Item 401 of Regulation S-K. The Board of Directors has also determined that each of the members of the Committee is independent within the meaning of the NYSE MKT Rules. The Committee held eleven meetings during 2016.

The Compensation Committee is appointed by the Board of Directors to review, evaluate, and approve the compensation and benefit programs of our executive officers, to administer our equity based compensation plans, and to review and recommend to the Board of Directors changes to our director compensation. During 2016, the members of the Committee were, Joseph W. Dews IV, Chairman, Steven J. Abrams, and William Kraut. The Board of Directors has determined that each of the members of the Committee is independent within the meaning of the NYSE MKT Rules, including the stricter requirements of Section 803 of the

NYSE MKT Company Guide, which are not applicable to smaller reporting companies, but which we have adopted as the standard of independence for this Committee. The Committee held six meetings during 2016.

The Nominating and Corporate Governance Committee is appointed by the Board of Directors to select the director nominees to be presented for election at future annual meetings of stockholders and to review and assess our corporate governance procedures. During 2016, the members of the Committee were Steven J. Abrams, Chairman, William Kraut, and Joseph W. Dews IV. The Board of Directors has determined that each of the members of the Committee is independent within the meaning of the NYSE MKT Rules. See "Nominating Procedures" for information regarding the process for identifying and evaluating nominees, procedures for stockholder nominations and director qualifications. The Committee held one meeting during 2016.

Meetings

During the year ended December 31, 2016, the Board of Directors held a total of ten meetings. Each of our directors attended at least 75% of the aggregate number of meetings of the Board and meetings of any committee of which he was a member, which were held during the time in which he was a director or a committee member, as applicable.

All members of the Board of Directors are encouraged, but not required, to attend our annual meeting of stockholders, and may do so in person or by phone. All of our directors attended the 2016 Annual Meeting held on June 29, 2016.

Stockholder Communications with the Board of Directors

Stockholders who wish to communicate directly with the Board of Directors, or with a particular director, may send a letter addressed to our Secretary at 804 East Gate Drive, Suite 200, Mt. Laurel, NJ 08054. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Stockholder Board Communication" or "Stockholder Director Communication." All such letters must identify the author as a stockholder and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, such stockholder must clearly indicate on the envelope that the communication is "confidential." The Secretary will then forward such communication, unopened, to the directors, or director, specified on the envelope, or if none, to the Chairman of the Board of Directors.

Compensation Procedures

During 2016, the Compensation Committee was comprised, and presently is comprised, solely of independent directors. Under Delaware state law, the Committee has the authority to delegate any or all of its powers and authority to one or more subcommittees, each subcommittee to consist of one or more members of the Committee. No such delegation of authority to a subcommittee has occurred. All decisions regarding the compensation of our executive officers are approved by the Compensation Committee.

9

As a general matter, changes to director compensation are periodically considered by the Committee and recommended to the Board of Directors for approval. Any change in the compensation of any director or any group of directors is approved by a majority of non-interested directors, and, if such recommendation applies to the compensation of all directors, by a majority of the independent directors in addition to a majority of the directors then in office.

In 2015, the Compensation Committee directly retained Radford as its independent compensation consultant to advise it regarding current best practices for executive and director compensation arrangements and to review and make recommendations regarding the amount, type and structure of compensation to be paid to the company's executive officers and directors in 2016. At the direction of the Committee, Radford compared the levels of compensation of the executive officers and directors to market based data available in the Radford Global Technology Survey for similarly-sized companies and provided the Committee with peer group data regarding compensation arrangements, plans, and amounts.

The Committee determined that Radford does not provide any material services to management or the Company, and that Radford does not have any business or personal relationship with any other member of the Committee or management or otherwise have any conflict of interest in performing this work.

Nominating Procedures

Generally, in order to identify and evaluate director nominees, our Nominating and Corporate Governance Committee (which is comprised solely of independent directors) assesses the qualifications, expertise, performance and willingness to serve of each current director. If as a result of such assessment, or at any other time during the year, the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, a search will be initiated utilizing appropriate staff support, input from other directors, senior management, and outside contacts, consideration of nominees previously submitted by stockholders, and, if deemed necessary or appropriate, retention of a search firm. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will be identified and reviewed by the Committee and the Board. The candidates will be prioritized and a determination made as to whether a member of the Committee, another director or member of senior management has a relationship with the preferred candidate and can initiate contacts. If not, contact may be initiated by a search firm. The Chairman and one or more members of the Committee or the Board will interview the prospective candidate. Evaluations and recommendations of the interviewers will be shared with the Committee for final evaluation. The Committee will then meet to consider such recommendations and to determine which candidate (or candidates) to select. The Committee will evaluate all nominees for director, including nominees recommended by a stockholder, on the same basis.

Each of the nominees for director included in this proxy statement were selected for re-election by the Committee. The full Board of Directors, including the Executive Chairman and the President and Chief Executive Officer, unanimously recommend the nominees for election by the stockholders of the Company.

Pursuant to the Charter of the Committee, the Committee considers all candidates, including candidates submitted by stockholders on the same basis. Stockholder recommendations with regard to director candidates may be submitted in writing to the Secretary of inTEST for consideration by the Committee. Each such recommendation should include the following information: (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of common stock of inTEST which are beneficially owned by each such nominee, (iv) the qualifications of such nominee for service on the Board of Directors, (v) the name and residence address of the proposing stockholder(s), (vi) the number of shares of common stock owned by the proposing stockholder(s), and (vii) such other information as the stockholder making such recommendation believes would be relevant to the consideration of such candidate.

Director candidates must meet certain minimum qualifications, including being at least 21 years old and possessing (1) the ability to read and understand corporate financial statements, (2) relevant business experience and professional skills, (3) high moral character and personal and professional integrity, and (4) the willingness to commit sufficient time to attend to his or her duties and responsibilities as a director of a public corporation. In addition, the Nominating and Corporate Governance Committee may consider a variety of other qualities and skills, including (i) expertise in finance, economics, technology or markets related to the business in which inTEST and its subsidiaries may engage, (ii) the ability to exercise independent decision-making, (iii) the absence of conflicts of interest, (iv) diversity of experience, and (v) the ability to work effectively with other directors in collectively serving the long-term interests of all stockholders. Nominees must also meet any applicable requirements of SEC regulations, state law, and inTEST's charter and bylaws. While we do not have a policy related to Board diversity, the Committee seeks nominees whose qualifications provide a diversity of relevant experience and skill sets that synergistically combine to provide a strong management advisory and oversight capability.

Stockholders who wish to make nominations to be considered at the 2017 Annual Meeting of Stockholders may do so by following the procedures set forth in our Bylaws. See "Information Regarding Deadlines and Procedures for Submission of Stockholder Proposals and Nominations of Directors" for additional information regarding the deadlines and notice procedures.

AUDIT COMMITTEE REPORT

The Audit Committee reviewed our audited consolidated financial statements for the year ended December 31, 2016 and met with both management and RSM US LLP ("RSM"), our independent registered public accounting firm, to discuss those financial statements. The Audit Committee also reviewed the report of management contained in our Annual Report on Form 10-K for the year ended December 31, 2016 filed with the SEC, as well as RSM's report included in our Annual Report on Form 10-K related to its audit of the consolidated financial statements and financial statement schedule. The Audit Committee has discussed with RSM the matters required to be discussed under the rules adopted by the Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee has received the written disclosures and the letter from RSM required by the PCAOB regarding RSM's communications with the Audit Committee concerning independence, and has discussed with RSM their independence.

Based on these reviews and discussions with management and RSM, the Audit Committee recommended to our Board of Directors (and the Board approved) that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2016.

EXECUTIVE COMPENSATION

Executive Summary

In 2015, the Compensation Committee retained an independent compensation consultant to review our executive compensation structure and recommend changes to the structure and manner of compensating our executive officers. On January 22, 2016, as a result of the Committee's analysis of the information provided by, and the recommendations of, the compensation consultant, the Committee adopted a new compensation program for our executive officers to more closely align executive officer compensation with competitive market practices and specific objectives of the Company and more closely align the executive officers' long-term interests with those of our stockholders. Based on the recommendations of the compensation consultant and discussions among the Committee and management, the following changes were made:

- Compensation levels were benchmarked to market survey data based on a group of public capital equipment, semiconductor, network equipment, computer and communications companies with a median headcount of 160, median revenues of \$43 million dollars and a median market capitalization of \$80 million;
- All elements of compensation - salary, bonus, total cash, long-term incentives and total direct compensation, were compared to the market;
- A new annual incentive plan was implemented with competitive targets; and
- New long-term incentive guidelines were adopted for the executive officers.

Overview of the Executive Compensation Program

The new executive compensation program is designed to reflect the performance of the Company and align the executive officers' interests with those of our stockholders. To achieve these ends, the new executive compensation program consists of three elements: base salary, annual incentives, and long-term incentives, as more fully described below. While there is no fixed formula, the Compensation Committee seeks an appropriate balance between cash and non-cash compensation, short and long term incentives, at-risk compensation and a mix of different forms of equity compensation. In addition, consistent with market practices, the Compensation Committee believes that executive officers who have greater and more direct impact and ability to influence the Company's overall performance should receive a significant proportion of equity-based compensation relative to their total compensation, thus seeking to align the executive officers' incentives and impact with the value they bring to Company-wide performance.

The implementation of our new executive compensation program for 2016 accomplished the following:

| | |
|----------------------|---|
| Base Salary | Individual base salaries were increased to within competitive, targeted ranges. Base salaries, which are established at hire, will be reviewed and adjusted periodically by the Compensation Committee based on a variety of factors which may include competitiveness, individual performance, tenure, overall Company performance, internal positioning and other factors. |
| Annual Incentives | Annual incentive percentages, Company and business unit performance targets, and strategic performance criteria were established for short-term incentive compensation. Cash incentives are intended to reward the achievement of annual Company financial goals as well as individual accomplishments and contributions. For 2016, Company goals were based on net revenue and earnings before income tax targets and attainment of certain strategic objectives of the Company. |
| Long-term Incentives | Equity-based compensation serves to link the interests of the executives and our stockholders and focuses the executives on the long-term appreciation of the Company's stock. For 2016, equity-based compensation was awarded in the form of shares of restricted common stock and common stock options. |

Philosophy

The Compensation Committee is committed to the general principle that executive compensation should be commensurate with the Company's performance and the performance of the individual executive officer. The primary objectives of our executive compensation program are to:

- attract and retain executive officers who demonstrate the leadership and management skills necessary to drive our long-term success;
- reward the achievement of our business goals and individual contributions toward achievement of those goals; and
- provide compensation opportunities linked to the Company's performance and the interests of our stockholders.

Our pay philosophy is for the total cash compensation (base salary plus annual incentive compensation) of our named executive officers to be targeted to the market median for similarly situated companies, with long-term (equity-based) incentive compensation to increase at a reasonable rate on an annual basis until it reaches the market median for similarly situated companies.

Underlying our executive compensation program is the philosophy that the interests of our stockholders are best served by a program that includes a significant variable component based on our performance. As a result, our executives have a significant portion of their compensation "at risk," either through the variability of the annual incentive portion of the plan, or subject to the movement in the price of the Company's stock through the long-term incentive portion of the plan. Amounts paid under the plan are further subject to repayment or "claw back" as needed to comply with all applicable laws and regulations.

Accordingly, and as more fully described below, the Compensation Committee approved the following compensation arrangements for our executive officers for 2016:

2016 Executive Compensation and Equity Awards

Description of the Annual Incentive Portion of the 2016 Executive Compensation Plan

In 2016, to provide a stronger tie to the Company's ongoing performance, our annual incentive structure was re-designed to implement a matrix for evaluating incentive compensation as compared to Company performance, business unit performance and achievement of specific strategic objectives. Specifically, the Annual Incentive Portion of the 2016 Executive Compensation Plan accomplished the following:

- Established a target incentive opportunity of 60% of base salary for the CEO and 55% of base salary for each of the other named executive officers.
- Based payment of the annual incentive: 50% on the achievement of net revenue and earnings before income tax targets in a performance matrix (financial performance), 30% on the basis of achieving profitability in the Manipulator/Docking Hardware Product Group (business unit performance), and 20% on completion of an acquisition in 2016 (strategic performance).
- Established minimum financial performance thresholds at 70% for the net revenue target and 80% for the earnings before income tax target.
- At minimum financial performance, an executive officer could earn 50% of his target incentive opportunity for financial performance.
- Established maximum financial performance limits at 125% for both the net revenue and earnings before income tax targets.
- At maximum financial performance, an executive officer could earn 150% of his target incentive opportunity for financial performance.
- All named executive officers shared the same performance goals.

13

The following matrix shows the payout percentages for the financial performance portion of the annual incentive.

| | Revenues | | | | | | | |
|---------------|----------|--------|--------|--------|--------|--------|--------|--------|
| | 70.0% | 75.0% | 80.0% | 90.0% | 100.0% | 112.5% | 125.0% | |
| Profit | 80.0% | 50.0% | 62.5% | 75.0% | 75.0% | 75.0% | 87.5% | 100.0% |
| v. | 90.0% | 62.5% | 75.0% | 87.5% | 87.5% | 87.5% | 100.0% | 112.5% |
| Target | 100.0% | 75.0% | 87.5% | 100.0% | 100.0% | 100.0% | 112.5% | 125.0% |
| | 112.5% | 87.5% | 100.0% | 112.5% | 112.5% | 112.5% | 125.0% | 137.5% |
| | 125.0% | 100.0% | 112.5% | 125.0% | 125.0% | 125.0% | 137.5% | 150.0% |

For 2016, the net revenue target was \$39.9 million, and actual net revenues were \$40.2 million; and the earnings before income tax target was \$3.1 million, and earnings before income tax were \$4.2 million. Accordingly, the financial performance portion of the annual incentive was 125%. The annual incentive payments also included payment for the business unit performance component. No acquisition was completed in 2016 so the strategic performance component was not awarded.

Payouts for 2016 were as follows:

| <u>Name</u> | <u>Target Bonus</u> | <u>Actual Payout</u> | <u>Actual as a % of Target</u> |
|--------------------|---------------------|----------------------|--------------------------------|
| Robert Matthiessen | \$209,380 | \$193,677 | 92.5% |
| Hugh Regan | \$135,776 | \$125,593 | 92.5% |
| James Pelrin | \$157,300 | \$145,503 | 92.5% |

Additional Discussion of Long-term Incentive Portion of the 2016 Executive Compensation Plan

As part of the compensation consultant's scope of work, the Committee sought the consultant's advice and recommendations on the use of equity-based compensation for the executive officers. With such input from the consultant, the Committee determined that:

- A regular program of long-term incentive awards would increase the linkage between the pay of the executive officers and the performance delivered to our stockholders;
- Stock options would be effective as a tool to reward the executive officers for focusing on growing the value of the Company over the long term; and
- Shares of restricted common stock would be effective as a tool to provide both retention and increase the immediate connection between the executives and the stockholders.

Charts and Additional Narrative Discussion

The following charts and discussions set forth certain information with respect to the compensation we paid, or recognized as an expense in accordance with Accounting Standards Codification ("ASC") Topic 718 (Compensation - Stock Compensation), to our Chief Executive Officer and our two other most highly compensated executive officers who were serving as such at December 31, 2016. These officers are referred to as our "named executive officers."

Employment Agreements. We have not entered into any employment agreements with our named executive officers. However, as discussed in the "Potential Payments upon Termination Following a Change of Control" section below, we have entered into agreements with Messrs. Matthiessen, Regan and Pelrin, which provide for the payment of certain benefits in the event of termination of employment following a change in control.

Retirement Benefits. Our executive officers are provided retirement benefits under the tax-qualified 401(k) plan provided to our other domestic employees. Messrs. Matthiessen, Regan and Pelrin are subject to provisions that allow participants to make contributions from their own salary on a pre-tax basis and provide a discretionary employer matching contribution not to exceed \$4,750 a year. The amount of employer contributions made to our 401(k) plans for our named executive officers for 2016 and 2015 are included in the column entitled "All Other Compensation" in the Summary Compensation Table. We do not provide any other retirement benefits to our named executive officers.

Potential Payments upon Termination Following a Change of Control. We have Change-of-Control Agreements in place with Messrs. Matthiessen, Regan and Pelrin. These Change-of-Control Agreements provide for the payment of certain benefits upon the executive officer's termination of employment by us without Cause or by the executive officer for Good Reason within two years following a Change of Control. These benefits consist of the continuation of the executive officer's base salary and fringe benefits for the one year period following the termination of his employment and payment of the variable performance based compensation that he would have earned for such one year period.

Under the Change-of-Control Agreements, a Change of Control occurs in the event of:

- our dissolution or liquidation;
- the sale of substantially all of our assets, except to a stockholder who as of the date of the Change of Control Agreements owned 20% or more of our stock (a "Related Person");
- our merger or consolidation with another company unless our stockholders own stock in that company in the same proportion that they own stock in us prior to the transaction;
- any person or entity other than a Related Person obtains the voting control of 40% or more of our stock; or
- our directors and those persons our directors may nominate to become our directors, cease to comprise a majority of our Board members.

Under the Change-of-Control Agreements, a termination for "Cause" means the executive's termination by us because of an act of fraud upon inTEST, his willful refusal to perform the duties assigned to him by the Board or his conviction for any crime involving dishonesty or breach of trust or for any crime that is a felony or of moral turpitude.

The term "Good Reason" under the Change-of-Control Agreements means a material adverse change in an executive's status, responsibilities or benefits; a failure to be nominated or elected to his current officer position; a requirement to report to anyone other than his direct report; an assignment of duties inconsistent with his current officer position; any reduction in base salary, variable component or formula for determining the variable component which would have the effect of reducing his variable component, or other reduction in compensation or benefits; or a requirement to relocate more than thirty miles from his current office.

The benefits payable under the Change-of-Control Agreements are subject to the release of any claims that Messrs. Matthiessen, Regan and Pelrin may have against us pursuant to the agreements as we may request. Fringe benefits will be reduced or eliminated to the extent that comparable benefits are received from another source. Furthermore, the benefits will be reduced to the extent that the payments would not be deductible by us (in whole or in part) under Section 280G of the Internal Revenue Code.

Also, in the event of a Change of Control, all equity awards issued to our named executive officers become 100% vested. For purposes of equity awards under the inTEST Corporation 2007 and 2014 Stock Plans, the definition of Change of Control is the same as defined above.

DIRECTOR COMPENSATION

Non-employee directors received in 2016 and currently receive an annual retainer of \$25,000, non-employee members of the Executive Committee receive an additional annual fee of \$15,000, the lead independent director receives an additional annual fee of \$10,000, and the chairmen of the committees of the Board receive an additional annual fee as follows: the Chairman of the Audit Committee receives an additional annual fee of \$20,000; the Chairman of the Compensation Committee receives an additional annual fee of \$10,000; and the Chairman of the Nominating and Corporate Governance Committee receives an additional annual fee of \$10,000. Such shares vested upon each director's re-election at the 2016 Annual Meeting of Stockholders. PROPOSAL 2: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

RSM US LLP was appointed as our independent registered public accounting firm ("IRPA Firm") on June 16, 2008. RSM US LLP audited our consolidated financial statements for the years ended December 31, 2016 and 2015. The Audit Committee of our Board of Directors has selected RSM US LLP as our IRPA Firm for the year ending December 31, 2017, subject to the determination of the 2017 audit fees. The Audit Committee has the sole authority and responsibility to select, appoint, evaluate and, where appropriate, discharge and replace RSM US LLP as our IRPA Firm, and the selection of our IRPA Firm is not required to be submitted to a vote of the stockholders for ratification. Notwithstanding the outcome of the vote by the stockholders, the Audit Committee is not bound to retain the IRPA Firm or to replace the IRPA Firm, where, in either case, after considering the outcome of the vote, the Audit Committee determines its decision regarding the IRPA Firm to be in the best interests of inTEST.

The following table sets forth the fees billed by RSM US LLP as described below:

| <u>Fee Category:</u> | <u>2016</u> | <u>2015</u> |
|-----------------------------|--------------------|--------------------|
| Audit Fees | \$295,195 | \$281,486 |
| Audit-Related Fees | - | - |
| Tax Fees | 85,927 | 56,809 |
| All Other Fees | <u>137,887</u> | <u>12,955</u> |
| Total Fees | <u>\$519,009</u> | <u>\$351,250</u> |

Audit Fees: Consists of fees billed for professional services rendered in connection with the audit of our consolidated financial statements and review of the interim condensed consolidated financial statements for 2016 and 2015, respectively, that are included in quarterly reports during those years and services that are normally provided by our IRPA Firm in connection with statutory and regulatory filings or engagements, and attest services, except those not required by statute or regulation.

Audit-Related Fees: Consists of fees billed in each of 2016 and 2015 for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." These services would include accounting consultations in connection with acquisitions and divestitures, attest services that are not required by statute or regulation, and consultations concerning financial accounting and reporting standards.

Tax Fees: Consists of fees billed in each of 2016 and 2015 for tax related services including advice, preparation of returns and other tax services related to federal, state and international taxes.

All Other Fees: Consists of fees billed in each of 2016 and 2015 for all services other than those reported above.

In accordance with the Sarbanes-Oxley Act of 2002, the Audit Committee's policy is to pre-approve all audit and non-audit services provided by our IRPA Firm. On an ongoing basis, management defines and communicates specific projects and categories of service for which the advance approval of the Audit Committee is requested. The Audit Committee reviews these requests and advises management if the Audit Committee approves the engagement of our IRPA Firm for such services. The Audit Committee has also delegated authority to the Chairman of the Audit Committee, and if the Chairman of the Committee is unavailable, to any other Audit Committee member, to pre-approve permitted services. Any such pre-approval must be reported to the Audit Committee at its next meeting. The Audit Committee did not approve any services pursuant to the de minimis exception of Rule 2-01(c)(7)(i)(C) of Regulation S-X during 2016.

Recommendation of the Board of Directors

The Board of Directors recommends a vote "FOR" the ratification of the selection of RSM US LLP as our independent registered public accounting firm for the year ending December 31, 2017.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, certain officers and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. These officers, directors and greater than ten-percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

18

Based solely on review of the copies of such forms furnished to us, or written representations that no Forms 5 were required, we believe that, during 2016, all Section 16(a) filing requirements applicable to these officers, directors and greater than ten-percent beneficial owners were timely met, except the following: one Form 4 for each of Robert E. Matthiessen, James Pelrin and Hugh T Regan, Jr., in each case reporting one stock option award and one restricted stock award granted on January 22, 2016, and one Form 4 for each of Steven J. Abrams, Joseph W. Dews IV, and William Kraut, in each case reporting one restricted stock award granted on January 22, 2016. Such awards were made under the newly implemented executive officer compensation plan and director compensation recommendations of our compensation consultant and were inadvertently filed late.

INFORMATION REGARDING DEADLINES AND PROCEDURES FOR SUBMISSION OF STOCKHOLDER PROPOSALS AND NOMINATIONS OF DIRECTORS

Under the Proxy Rules of the SEC, stockholders intending to submit proposals to be included in our proxy statement for our Annual Meeting of Stockholders to be held in 2018 must send their proposals to Hugh T. Regan, Jr., Secretary at 804 East Gate Drive, Suite 200, Mt. Laurel, New Jersey 08054, not later than January 24, 2018. These proposals must relate to matters appropriate for stockholder action and be consistent with regulations of the SEC relating to stockholder proposals (Proxy Rule 14a-8) in order to be considered for inclusion in our proxy statement relating to that meeting.

Under our Bylaws, certain procedures are provided that a stockholder must follow to nominate persons for election as Directors or to introduce an item of business at an annual meeting of stockholders. These procedures provide that nominations for Director nominees and/or an item of business to be introduced at an annual meeting of stockholders must be submitted in writing to the Secretary of inTEST at the address set forth above, not later than 90 days and not earlier than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders, subject to certain exceptions. Accordingly, a notice of a stockholder proposal, submitted outside of Rule 14a-8 under the Securities and Exchange Act, or a stockholder nomination for the 2018 Annual Meeting of Stockholders will be untimely if received by inTEST's Secretary before February 28, 2018 or after March 30, 2018, unless the date of the 2018 Annual Meeting is advanced by more than 30 days or delayed (other than as a result of adjournment) by more than 30 days from the anniversary of the 2017 Annual Meeting. If the date of the 2018 Annual Meeting is changed by more than 30 days from the anniversary of the 2017 Annual Meeting, then notice by the stockholder to be timely must be delivered not earlier than the 120th day prior to the date of the 2018 Annual Meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

The Bylaws set forth various qualifications and disclosure requirements for such advance written notice of a nomination or proposal to be in proper form. A stockholder wishing to submit such a notice should review the provisions of our Bylaws (which were filed with the SEC on June 25, 2014 as Exhibit 3.2 to our Current Report on Form 8-K). In general, the disclosure requirements include information about the stockholder making the nomination or proposal, information regarding the nominee or proposal, and in the case of a nomination, a certification and consent from the nominee. If a stockholder fails to comply with the time of notice procedures set forth in our Bylaws, that stockholder will not be entitled to present the proposal or nomination at the meeting. If, however, notwithstanding the requirements of the Bylaws, a proposal is brought before the meeting, then under the SEC's proxy rules, the proxies inTEST solicits with respect to the 2018 Annual Meeting of Stockholders will confer discretionary voting authority on the persons so named as proxies with respect to such proposal.

ANNUAL REPORT

Our Annual Report to Stockholders (which includes our consolidated financial statements for the year ended December 31, 2016), accompanies this proxy statement. The Annual Report to Stockholders does not constitute a part of the proxy solicitation materials.

By Order of the Board of Directors,

/s/ Hugh T. Regan, Jr.
Hugh T. Regan, Jr.
