Audit Committee

Our Board of Directors has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee consists of Richard O. Endres, Chairman, Gregory W. Slayton, James J. Greed, Jr., Joseph A. Savarese and James W. Schwartz.

Our Board of Directors has determined that the Audit Committee does not have an audit committee financial expert (as the term is defined in Item 401(h) of Regulation S-K of the regulations promulgated by the Securities and Exchange Commission ("SEC")) serving on the Committee. Each member of the Audit Committee is able to read and understand financial statements and has substantial business experience that results in the individual member's

financial sophistication. Consequently, the Board of Directors believes that the directors who serve on the Audit Committee have sufficient knowledge and experience to fulfill the responsibilities of the Committee.

Code of Ethics

We have adopted a code of ethics (as that term is defined in Item 406 of Regulation S-K of the regulations promulgated by the SEC) that applies to our Chief Executive Officer, our Chief Financial Officer and all of our other employees. The text of our code of ethics is filed as an exhibit to this Report, and also is posted on our Internet website at www.intest.com. Amendments to, and waivers of, the code of ethics, if any, relating to our Chief Executive Officer or our Chief Financial Officer will be posted on the website.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, requires our directors, certain officers and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. These officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms furnished to us, or written representations that no Forms 5 were required, we believe that, during 2003, all Section 16(a) filing requirements applicable to these officers, directors and greater than ten-percent beneficial owners were timely met.

Change of Control Agreements

On April 17, 2001, we entered into Change of Control Agreements with Messrs. Matthiessen and Regan. These Change of Control Agreements provide that, upon termination of their employment with us without cause (as defined in the agreements) within two years following a change of control (as defined in the agreements), or termination by the executive officer for good

reason (as defined in the agreements) within two years following a change of control, each is entitled to the following for a period of one year following termination:

- payment of base salary on the same basis paid immediately prior to termination;
- payment of any bonus the executive officer would otherwise be eligible to receive for the year in which the termination occurs and for that portion of the following year which falls within a period of one year following termination; and
- continuation of all fringe benefits the executive officer was receiving immediately prior to the termination.

Notwithstanding the above, the benefits under the Change of Control Agreements will be reduced to the extent that the payments would not be deductible by us (in whole or in part) under Section 280G of the Internal Revenue Code.

Compensation Committee Interlocks and Insider Participation

During 2003, the Compensation Committee consisted of Dr. Daniels, Chairman, and Messrs. Endres, Holt, Slayton and Greed. Mr. Holt is one of our executive officers. Dr. Daniels provided us with consulting services relating to intellectual property matters. In connection with such services, Dr. Daniels was paid fees totaling approximately \$107,000 during 2003.

Director Compensation

Effective April 1, 2004, we pay each non-employee director an annual retainer fee of \$25,000. Members of the Executive Committee are paid an additional annual retainer of \$15,000. In recognition of their increased responsibility and service, the chairmen of the committees of the Board are paid an additional annual fee as follows: the Chairman of the Audit Committee is paid an additional annual fee of \$15,000; the Chairman of the Compensation Committee is paid an additional annual fee of \$10,000; the Chairman of the IP Committee is paid an additional annual fee of \$75,000; and the Chairman of the Nominating Committee is paid an additional annual fee of \$10,000. In addition, we reimburse non-employee directors' travel expenses and other costs associated with attending board or committee meetings. Prior to April 1, 2004, we paid non-employee directors a quarterly retainer of \$2,500, a fee of \$2,000 per board meeting attended and a fee of \$1,000 per committee meeting attended that falls on a day other than a board meeting.

Three of our directors also participated in the option exchange program discussed above in footnote (a) under the heading entitled "Stock Options." In particular, Dr. Daniels and Messrs. Greed and Slayton each exchanged options to purchase 10,000 shares of our common stock. As a result of their election to the Board, Messrs. Saravese and Schwartz will be granted on May 3, 2004 options to purchase 10,000 shares of our common stock, which will become fully exercisable on November 3, 2004, six months from the date of grant.

We do not pay additional cash compensation to our officers for their service as directors. However, officers who serve as directors of our foreign subsidiaries receive compensation as approved each year by such subsidiary's Board of Directors. Dr. Daniels has also provided us with consulting services relating to intellectual property matters. In connection with such services, Dr. Daniels was paid fees totaling approximately \$107,000 during 2003.

Item 12: SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The information required by Item 201(d) of Regulation S-K is set forth in Item 5 of this Report.

The following table sets forth certain information known to us regarding the beneficial ownership of our common stock as of April 12, 2004 (except where otherwise noted) by:

- each of our Named Executive Officers;
- each of our directors;
- all directors and executive officers as a group; and
- each stockholder known by inTEST to own beneficially more than 5% of our common stock.

Percentage ownership in the following table is based on 8,562,856 shares of common stock outstanding as of April 12, 2004 (excluding shares held by one of our subsidiaries which may not be voted or counted towards a quorum). We have determined beneficial ownership in the table in accordance with the rules of the SEC. In computing the number of shares beneficially owned by any person and the percentage ownership of that person, we have deemed shares of common stock subject to options or warrants held by that person that are currently exercisable or will become exercisable by June 11, 2004 to be outstanding. However, we have not deemed these shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes below, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by such stockholder.
